TO WHOM IT MAY CONCERN

DECLARATION CONCERNING COMMODITY PRODUCTS (SAFETY DATA SHEET)

We, SUNSTAR Europe SA, hereby certify that the products listed below are commodity products, subject to applicable regulations including Directive 2001/95/EC (GPSD) of the European Parliament and of the Council.

Safety Data Sheet requirements are governed by the Regulation (EC) No 1907/2006, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

Per article 31 of this Regulation, provisions regarding Safety Data Sheet shall only apply to substances or preparations.

Products listed below are "articles" as defined in article 3 of the regulation and no Safety Data Sheet is to be provided.

In addition, to our knowledge, none of these products contain substances included in the Annex XIV of the above-mentioned Regulation. Anyway, relevant safety information (if any), is clearly mentioned on their labeling.
