Zutaten Nicotinamid Ribosid

Nicotinamid-Ribosidchlorid; Kapselhülle: pflanzliche Hydroxypropylmethylcellulose (HPMC); Füllstoff: Mikrokristalline Cellulose.

***Zugelassene gesundheitsbezogene Aussagen (EFSA):**

- Niacin trägt zu einem normalen Energiestoffwechsel bei; trägt zu einer normalen Funktion des Nervensystems bei; trägt zur normalen psychischen Funktion bei; trägt zur Erhaltung normaler Haut bei; trägt zur Erhaltung normaler Schleimhäute bei; trägt zur Verringerung von Müdigkeit und Ermüdung bei.
